Ever wondered if that chill running up the back of your neck meant someone (or something) might be curious about you too? What's the difference between a visiting spirit and something more persistent? What to do about it? Join Alonnie as she seeks to provide clarity through some of her personal accounts -- and yours.

Alonnie will be available later in the day for individual appointments. Choose either a 20-minute private reading at \$40 per person, or a Tarot card reading for \$20 for 5 cards. **Please make arrangements with Alonnie individually -- she will have a signup sheet at the forum.** Learn more about her at alonnie.com.
